

REAR BLADE

REGULAR DUTY SERIES

GETS MORE FOR YOUR FIELD

BISON

REAR BLADE REGULAR DUTY SERIES

Up to 80 hp tractors. A complete line of rear blades with moldboard widths from 7 to 9 feet.

Ideal for leveling, gardening, and road maintenance jobs. They are also good for cleaning feed lots.

Cut and roll the soil rather than dragging. Save time, horsepower, and fuel.

Different angle adjustments and tilt:

Tilt the moldboard up or down 22°.

Offset adjustment allows 18" left or right (manual or hydraulic)

Total swing angle of 360°.

Attachments available:

End plates allow rear blade to hold in materials for filling.

Skid shoes increase the life of the cutting edge and avoid damaging the working surface while cleaning corrals or plowing snow.

ESPECIFICACIONES

		NVH-210	NVH-240	NVH-270
Moldboard width	ft	7	8	9
Approximate weight	lbs	755	722	789
King pin diameter	in		3
