YOUR STRONGEST ALLY

BISON

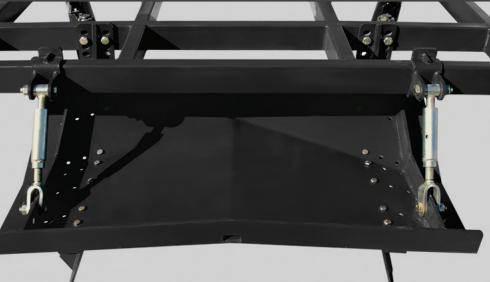

BED SHAPER

TF SERIES

The variety of adjustments for seed bed preparation makes possible different widths and heights.

Replaceable and reversible cutting blades provide longer blade usage.

A good quality shaped seed bed is critical factor on the doog maturity of the products and its nutrients, proper drainage, plant rooting improvement and consequently overall plant development during its growth cycle.

The bed-shaper height is adjustable by simply moving the bed-shaper stands and mechanical clampings.

Bison Bed Shaper is available with fertilizer attachment.
