FARM WAGON

FIFTH WHEEL SERIES

This heavy-duty wagon trailer is ideal for use around the farm, ranch or home. Built with heavy-duty welded steel construction.

4 or 6 tons available of loading capacity, hydraulic and standard function.

Sheet floor and detachable metal sides, these can be attached to the platform.

Omega platform frame, that permits the main frame assembly allowing to make all one full piece.

The back metal sides avoids the fodder to fall.

Reinforced maze with eight bolts, for a highest loading capacity.

High clears axle, with reinforced lance and fifth wheel that covered the complete main frame, for a better load and transport stability.

Flip-top door and 45° roll over angle.
